Special Guest: Wynne Whyman, Chair of the Let's Loop Colorado Project

The CCDHHDB is a state commission charged with providing advocacy, services, and support for Coloradans who are deaf, hard of hearing and deafblind.

The public is invited to the business meeting. At the Public Forum, Wynne Whyman will discuss the goals and progress of the Let's Loop Colorado project to install more loops in Colorado and increase the use of the loops.

Many people from other HLAA Chapters on the Front Range will be in attendance. This will be a great opportunity to expand knowledge and friendships! There will be ASL interpretation, captioning, and a loop system.

PLEASE NOTE: There will not be a meeting on Saturday, Sept 7 of the Western Colorado Chapter of the Hearing Loss Association of America. Please note that HLAAWCO Chapter Leader, Amy Beckett, is a Commissioner; your attendance and support for the Commission meeting is encouraged.
